6. While the few days mentioned might appear to constitute dual employment, we are of the opinion that the ruling in 28 Comptroller General Decision 381 is applicable in this case. 25X1A9a [redacted] was clearly employed on a "fee" rather than a "time" basis since his rate of $50.00 per day of service was to be paid regardless of the number of hours he consulted during any one day. We suggest, however, that you seek the opinion of the General Counsel in this matter.
